**CONNECTION POLICY - Sheringham:** Some connections possible - **Weybourne:** Connections usually possible - **Holt:** Connections not possible due to the distance between platforms

The NNR appreciates that some passengers like to make short connections between arriving and departing trains. Where possible we will accommodate passengers trying to make these connections if they make their way to the departing train promptly and safely. However it will not usually be possible to hold trains beyond their booked departure times due to the intensity of the service, particularly in the event of late running. Boarding or alighting of trains after the 'right away' is given or before the train has stopped is not permitted. Please note that the Guard has the final decision on when to depart and whether passengers may travel.

**VERBAL OR PHYSICAL ABUSE OF ANY OF OUR STAFF OR VOLUNTEERS WILL NOT BE TOLERATED.**

**CONNECTION POLICY - Sheringham:** Some connections possible - **Weybourne:** Connections usually possible - **Holt:** Connections not possible due to the distance between platforms

The NNR appreciates that some passengers like to make short connections between arriving and departing trains. Where possible we will accommodate passengers trying to make these connections if they make their way to the departing train promptly and safely. However it will not usually be possible to hold trains beyond their booked departure times due to the intensity of the service, particularly in the event of late running. Boarding or alighting of trains after the 'right away' is given or before the train has stopped is not permitted. Please note that the Guard has the final decision on when to depart and whether passengers may travel.

**VERBAL OR PHYSICAL ABUSE OF ANY OF OUR STAFF OR VOLUNTEERS WILL NOT BE TOLERATED.**
