	Public train.
	Limited access - see notes.
	No public access.

Trains with Multiple Locos

Unless absolutely necessary, locos on the rear of trains and locos acting as a brake translator should not apply traction power. This is to allow the front loco(s) to haul heavier trains.

CONNECTION POLICY - **Sheringham:** Some connections possible - **Weybourne:** Connections usually possible - **Holt:** Connections not possible due to the distance between platforms

The NNR appreciates that some passengers like to make short connections between arriving and departing trains. Where possible we will accommodate passengers trying to make these connections if they make their way to the departing train promptly and safely. However it will not usually be possible to hold trains beyond their booked departure times due to the intensity of the service, particularly in the event of late running. Boarding or alighting of trains after the 'right away' is given or before the train has stopped is not permitted. Please note that the Guard has the final decision on when to depart and whether passengers may travel.

Times in italics are trains with limited or no passenger accommodation (see set list).
Passengers wishing to board the train at Kelling Heath must give a clear signal to the Driver. Passengers wishing to alight there must advise the Guard when boarding the train. It is not possible to board or alight from a train at Kelling Heath unless it is booked as a request stop.
As far as possible trains will run to time.

PLEASE NOTE THAT ALL TRAIN SERVICES AND ATTRACTIONS ARE SUBJECT TO AMENDMENT OR CANCELLATION WITHOUT NOTICE. THE NNR CANNOT BE HELD RESPONSIBLE FOR ANY INCONVENIENCE OR DISAPPOINTMENT CAUSED.

Trains with Multiple Locos

Unless absolutely necessary, locos on the rear of trains and locos acting as a brake translator should not apply traction power. This is to allow the front loco(s) to haul heavier trains.

CONNECTION POLICY - **Sheringham:** Some connections possible - **Weybourne:** Connections usually possible - **Holt:** Connections not possible due to the distance between platforms

The NNR appreciates that some passengers like to make short connections between arriving and departing trains. Where possible we will accommodate passengers trying to make these connections if they make their way to the departing train promptly and safely. However it will not usually be possible to hold trains beyond their booked departure times due to the intensity of the service, particularly in the event of late running. Boarding or alighting of trains after the 'right away' is given or before the train has stopped is not permitted. Please note that the Guard has the final decision on when to depart and whether passengers may travel.

Times in italics are trains with limited or no passenger accommodation (see set list).
Passengers wishing to board the train at Kelling Heath must give a clear signal to the Driver. Passengers wishing to alight there must advise the Guard when boarding the train. It is not possible to board or alight from a train at Kelling Heath unless it is booked as a request stop.
As far as possible trains will run to time.

PLEASE NOTE THAT ALL TRAIN SERVICES AND ATTRACTIONS ARE SUBJECT TO AMENDMENT OR CANCELLATION WITHOUT NOTICE. THE NNR CANNOT BE HELD RESPONSIBLE FOR ANY INCONVENIENCE OR DISAPPOINTMENT CAUSED.
